

# Rough Collie and Smooth Collie

Breed Specific IKC Accredited Module 4

## Seminar

*With support from the Smooth Collie Club of Ireland*

### Speaker: KC Accredited Trainer/Judge - Carole Smedley, Antoc

As co-owner of the Antoc affix, along with her mother, Aileen Speding, Carole has bred 30 UK Champions, plus many overseas Champions.

Carole first awarded Rough Collie CCs in 1987. She has judged Rough Collie dogs, Smooth Collies and Welsh Corgi Cardigan at Crufts and has been invited to judge Rough Collie bitches at Crufts 2019.

*"In between breeding, on a very selective basis, and exhibiting, my other interests include the training and education of new judges as a Kennel Club Accredited Trainer (Show) giving Seminars over three disciplines, including Show Management, Requirements of a Dog Show Judge and Ring Stewarding. I am an active member of the UK Kennel Club and am fortunate to be part of the Breed Standards and Stud Book Committee where I represent the whole of the Pastoral Group. I also find time to be a Committee Member of the LKA, the only two day All Group Championship Show held at the NEC Birmingham. I have also held the post of a single Breed Club Championship Show Secretary for over 21 years and now try and help all people, both exhibitors and prospective judges enjoy our breed. I also write a weekly Breed Note for the Dog Press and keep extensive pedigree records for the breed."* Carole Smedley
