Judge's Critique – Margo Walker (Starlenga)

I would just like to thank the committee for the warm welcome, and also a thanks to the steward for his organising and the show running smoothly.

Baby Puppy D or B

There were 3 lovely babies in the class which I believe were from all the same litter, which is a credit to the breeder.

1st Donohill The Candy Man, very promising S/W dog with the sweetest of eye, and nice moulded foreface for such a young baby. Lovely shape and size, showed well for handler.

2nd Donohill Nat King Cole, S/W dog, same applies as the 1st place, and they could change placings on another day.

3rd Donohill Sweet Madonna, S/W bitch and so she was, 3 very nice babies.

1st Donohill Captain America, S/W sweet eye with a nice moulded foreface, ears a touch on the light side, moved ok, Best Puppy.

1st Alwaycon Hip Hop, S/W big upstanding dog, neatest of ears, sweet eye and lovely shape, could have done with more belly feathering, and little more coat, but had enough on the day. **RBD**

2nd Country's Dream King for a Day, tri colour of 5 years, another big upstanding dog, nice shape, would have liked to have seen more tan on the face, sweet eye, just preferred expression on the 1st place, groomed to perfection.
