

All Ireland Collie & Sheepdog Society

I would like to thank the committee for inviting me to judge their 90th anniversary show and for the warm welcome and hospitality shown to my mom and myself. Thanks also to my steward for keeping everything in order and to the exhibitors for their entries. I thoroughly enjoyed my day. Unfortunately some dogs could have been better presented and some had dirty teeth. I don't think there is any excuse for this, after all it is a beauty contest.
